

# South Florida Vanpool Emergency Ride Home Registration Form

Commuters vanpooling to and from work at least three days a week are eligible for the SFCS' Emergency Ride Home (ERH) program. Please complete the following form to register for the ERH program. You will need to have your primary vanpool driver's name and vanpool ID # in order to complete the form below.

Registrants will be automatically enrolled in SFCS' ERH Online Voucher System which allows you the ability to view information on used vouchers, track unused vouchers, and print vouchers directly from your computer. If you would prefer not to participate in the Online Voucher System, make sure to select to receive SFCS pre-printed vouchers in the mail.

Your ERH registration will be valid for one year. At the end of your registration period, SFCS will send you an ERH renewal notification. You will need to renew your registration in order to remain in the ERH program.
